Dear parent or carer

Supporting our community

The staff and pupils at Nether Stowe School have become increasingly aware of the significant social and economic impact of Covid 19 on our local community. We would like your help to support families who are facing hardship. Our appeal is for donations of food, toiletries and school uniform that the school can distribute to those who are most in need.

We aim to start our collection on Thursday 18th March. All items brought in by pupils should be handed in to their form tutor during registration on any day from Thursday 18th March until Friday 26th March. Second-hand uniform should be clean and in good condition and I have attached a list of food and toiletry items that would be ideal. Please bear in mind that we cannot accept food that requires refrigeration.

These items will be safely stored ready for families in our community to collect or be delivered on Wednesday 31st March. If you are in need of support, and would like a parcel, then please get in touch in by emailing foodbank@netherstowe.com.

Together, we have the potential to make a huge difference to the lives of others and any support you can offer is greatly appreciated, even if it is a single item.

Yours faithfully

Mrs K Manton

Associate Assistant Headteacher (Mathematics)
