Dear parent / guardian.

French Club

I am writing to inform you of a new French club, designed for year 10 students with a passion for the French language or the Francophone world. The objective of this club is to deepen understanding and to improve French communication, through spoken and written language games along with informal and open French chat within a less formalised setting, in order to foster natural, authentic spontaneous French.

Along with spoken French, this club will serve to explore the art of translation, providing interested students with the opportunity to translate various forms of French media such as advertisements, headlines, literary extracts and other forms of written French media.

The club will run every Tuesday after school between 15:05 – 16:05 and attendance, of course, is **not** compulsory. Any students who do attend are permitted to do so for as long as they are able, with credits being issued to any who do come.

I look forward to hosting La Revolution for the many students who have expressed an interest in deepening their knowledge and application of the language.

Yours sincerely.

Mr Chesses.
Teacher of Modern Foreign Languages
