Dear parent/carers,

As part of their personal, social, health and economic (PSHE) education lessons, Year 7 take part in a series of sex and relationship education (SRE) lessons. These focus mainly on explaining and preparing pupils for the physical and emotional changes associated with puberty. They also consider the changing nature of a range of relationships, including friendship, family relationships and intimate relationships.

The purpose of SRE at Nether Stowe School is: to prepare pupils for the physical and emotional changes of growing up; to give them the knowledge and skills to make informed and healthy choices; to build their confidence and skills to deal with situations they may encounter; to help them to stay safe and know where and how to ask for help if needed. At times, carefully chosen external visitors and speakers may contribute to the programme. In these cases, lesson content will be agreed in advance and visitors will always be supervised by a member of school staff.

As part of this year's SRE, pupils will have a lesson on their next PSHE day (10th June) which teaches about female genital mutilation (FGM). They will be taught that FGM, also known as female circumcision, cutting or sunna, is illegal in the UK and that it is also a criminal offence to take a UK citizen abroad for the purpose of FGM (whether or not it is lawful in the country the girl is taken to). This will be taught in an age-appropriate way in the context of knowing about bodily changes during puberty, being able to use the correct language, keeping safe and feeling confident to ask questions and discuss in a mature and appropriate way. We believe that this will be an important addition to the Year 7 SRE programme. If you have concerns or would like to discuss the matter further, please do not hesitate to email or call me.

Yours faithfully

Miss C Delaney
(PSHEE co-ordinator)
