

Dear Parent/Guardian

Your child is due their vaccination to protect against Human Papilloma Virus (HPV). This is offered in year 8 as part of the national immunisation programme and is free on the NHS.

This vaccine requires two doses; the second dose is given 6 - 24 months after the first. If your child is 15-17 years old when they receive the first dose they will require 3 doses. The team will advise you of the dates the 3 doses are required.

More information regarding these vaccinations can be accessed through the links below, **please ensure that you read the information contained in the links below prior to booking an appointment and giving consent for your child's immunisations.** You must have parental responsibility or delegated authority to consent for the vaccinations.

You will need this code **NSSHVP1P** which identifies your child's school
