04 March 2022

Dear Parent/Carer,

We understand that the final terms of Year 11 can be both an exciting and stressful time for students, as they face their final exams and important decisions about their future. We feel that it is incredibly important to ensure students feel prepared. Here are some key pieces of information:

Summer exams

The official start of GCSE summer exams is May 16th 2022 with the final GCSE exam on the 29th June.

Personalised exam timetables will be released to students in due course.

Revision workshops

As the examination period fast approaching, we would warmly like to invite you to a short parent workshop explaining several ways you may be able to help your son/daughter in the run up to the exams.

The sessions will contain information on key revision techniques, learning strategies and information about how to support your child during the build up to the exams.

The event will be held on Thursday 10th March. To make sure all parents can attend; we will be holding two workshops at the following times: 9:15am and 6:00pm.

Please note that this is a parent/carer event only, enabling us to talk openly about ways in which you can support your son/daughter.

If you are interested in attending, please complete the following link [Revision Workshop](#).

Revision Resources

We encourage students to take part in regular revision, revisiting their learning and feeling prepared for what may feature on their exam papers.

Guidance and additional resources are available on the Nether Stowe School website here:

<https://netherstowe.staffs.sch.uk/students/revision/>

Extra support

We understand that this time can feel stressful, there is plenty of support available in school for students and for parents here [Exam Stress | How To Deal with Exam Stress | YoungMinds](#).

Thank you for your continued support, we look forward to seeing you at the revision workshops.

Yours Faithfully,

C. Poar
