Dear Parent/Carer,

RE: Revision Support for Year 11

Now that mock examinations are complete we turn our attention to preparation for the GCSE examinations in May and June. To support year 11 with this, from Monday 30th January students will be removed from their college tutor groups and will have a bespoke tutor session, led by a senior member of staff, with a focus on revision and exam preparation.

With the introduction of the iPads for pupils, the revision focus during registration will be on the use of the Seneca learning platform.

To start the week off right, we will also provide breakfast for Year 11 pupils every Monday morning. Pupils will be able to get a breakfast from the canteen at 8:30am, when they come into school. This will close at 8:40am with all pupils in the school hall for assembly.

On a Tuesday to Friday, students will be in their registration group as detailed below.

Registration for Year 11 will start at 8:35am on these days.
