All students who are attending must report to the main reception no later than the start time stated above. It is essential for all students to sign in on arrival and sign out when leaving.

Students are permitted to bring snacks and appropriate drinks in, to consume during the session. Any students wishing to attend both the Maths and Science sessions on the Monday and Chemistry and Design Technology on the Tuesday, must sign out at the end of morning session, as there is no supervision for the 30 minute break between these. For French, supervision over lunch will be in place, should students wish to stay.

As I am sure you agree, we want student to attend and engage with each session. Any poor conduct will not be tolerated and, in such circumstances, pupils will be immediately sent home.

Finally, I would like to take this opportunity to thank you, for your ongoing support as we approach an important stage in your child's education. If you have any questions, please don't hesitate to contact me ashaw@netherstowe.com

Yours faithfully,
