## Year 12 Exams 19<sup>th</sup> – 23<sup>rd</sup> June

Dear Parents/Carers,

Our Year 12 students will be completing their end of year exams from Monday 19<sup>th</sup> to Friday 23<sup>rd</sup> June. These exams will cover the content that they have been taught this year and will support in establishing predicted grades for Year 13 and potential applications for higher education. Therefore it is imperative that students are well prepared for these exams.

To support students they will be permitted to take study leave during this time. This means that during this week students are only required in school for their exams. They should arrive promptly, no later than 15 minutes before the start time of their exam. Students are still welcome to come into school to use our study facilities should they wish. On all occasions students must sign in and out of reception and our sixth form dress code should be adhered to.

So that you are able to support your child in this process I have attached a copy of the exam timetable for the week. If you have any further questions regarding this please get in touch with a member of the sixth form team.

Kind Regards

Miss H Riley  
Head of Sixth Form  
Nether Stowe School
