SUBJECT: Photography (Creative Technology)

	Topic	Assessment
Autumn Term 1 & 2	Past paper	The assessment for this term will be based on how the photographers have used formal elements and a range of materials, medias and techniques. This knowledge and understanding is then used to develop and extend students development of techniques.
Spring Term 1 & 2	Externally Set Task	The assessment for this term is working to an externally set task. Its purpose is to develop creative ideas, skills and intentions in response to the expectations of the task.
