Extended responses will show the application of this knowledge.</p>	<p><b>MILESTONE 1</b></p> <p>Approximate Date of Assessment Week Beginning:</p> <p><u>03/12/19</u></p> <p>The assessment will be a range of multiple choice, short answer questions which will test the content of the topic. However it will also draw on knowledge previously studied in the first half term. This will be in the form of extended responses to show application of content taught.</p>

	Spring Term 1	Spring Term 2
Topic	<p><b><u>Brazil</u></b></p> <p>During the topic students study the country of Brazil looking at both physical and human aspects. They finish off with a study on deforestation in the Amazon. Lessons cover -</p> <ul style="list-style-type: none"> <li>• Geographical location of the country.</li> <li>• Physical features, climate and vegetation.</li> <li>• Identify differences across the country.</li> <li>• Economic development of Brazil</li> <li>• Amazon Rainforest</li> <li>• Deforestation</li> </ul>	<p><b><u>Coasts</u></b></p> <p>Within in this topic you will look at the physical landscapes that shape the UK. You will study how different processes contribute to the shape the UK. Students will study -</p> <ul style="list-style-type: none"> <li>• Wave types and Coastal Processes</li> <li>• Rock type and how it influences the coastline.</li> <li>• Landforms of coastal depositions</li> <li>• Costal management and a case study to demonstrate this.</li> </ul>
Assessment	<p><b>Progress Check 2</b></p> <p>Approximate Date of Assessment Week Beginning:</p> <p><u>02/02/20</u></p> <p>The assessment will be a range of short answer and extended writing questions which give students the opportunity to demonstrate their knowledge and understanding gained throughout the half term. Extended responses will show the application of this knowledge.</p>	<p><b>MILESTONE 2</b></p> <p>Approximate Date of Assessment Week Beginning:</p> <p><u>01/04/20</u></p> <p>The assessment will be a range of multiple choice, short answer questions and extended writing. This assessment will also draw on knowledge and skills previously studied in Geography this term.</p>

**SUBJECT: Geography - Summer Term**

	Summer Term 1	Summer Term 2
Topic	<p><u>Russia</u></p> <p>This topic gives an understanding of how Russia is a globally significant place and home to a diverse range of landscapes and environments.</p> <ul style="list-style-type: none"><li>• Geographical location of the country.</li><li>• Physical features, climate and vegetation.</li><li>• Identify differences across the country.</li><li>• Population Issues in Russia.</li><li>• Impacts of the World Cup</li><li>• Chernobyl disaster</li></ul>	<p><u>Tropical Storms</u></p> <p>This topic links to work done in year 7 on weather and climate. It recaps on atmospheric circulation then looks at the impacts through tropical storms.</p> <ul style="list-style-type: none"><li>• Atmospheric Circulation</li><li>• Tropical storms - formation and structure</li><li>• Impact on people - Case study of a tropical Storm</li><li>• Management of tropical storms</li></ul>
Assessment	<p><b>Progress Check 3</b></p> <p>Approximate Date of Assessment Week Beginning:</p> <p><u>13/05/20</u></p> <p>The assessment will be a range of short answer and extended writing questions which give students the opportunity to demonstrate their knowledge and understanding gained throughout the half term. Extended responses will show the application of this knowledge.</p>	<p><b>MILESTONE 3</b></p> <p>Approximate Date of Assessment Week Beginning:</p> <p><u>10/06/20</u></p> <p>This assessment will be an <u>end of year exam</u> where student will be examined on content for the year. They will answer a mixture of multiple choice, short answer questions and extended writing.</p>

**SUBJECT: Geography**

<u>Term</u>	<u>Topic</u>	<u>Assessment</u>	<u>Approx. Date for Diary - W/C</u>
<b>Autumn 1</b>	<u>Africa</u> Diversity and difference are focused on in this topic looking at the economic gap, a topic studied later on at GCSE.	<u>Progress Check 1</u> 50 minute exam, multiple choice, short answers and extended responses make up the 45 mark paper.	<u>15/10/19</u>
<b>Autumn 2</b>	<u>Rivers</u> Students need to be aware of what shapes the landscape of the UK and be familiar with technical processes which they will draw upon in GCSE.	<u>Milestone 1</u> 50 minute exam, skills based with some short answer responses to demonstrate understanding. Extended responses will draw on the knowledge from Autumn Term 1. 45 mark paper.	<u>03/12/19</u>
<b>Spring 1</b>	<u>Brazil</u> Many different concepts that link to the GCSE specification are embedded by looking at a country, in this case the focus is on impacts of deforestation.	<u>Progress Check 2</u> 50 minute exam, multiple choice, short answers and extended responses make up the 45 mark paper.	<u>04/02/20</u>
<b>Spring 2</b>	<u>Coasts</u> Students need to be aware of what shapes the coast of the UK and be familiar with technical processes which they will draw upon in GCSE.	<u>Milestone 2</u> 50 minute exam, short answer responses to demonstrate understanding. Extended responses will draw on the knowledge from Spring term. Geographical skills will also be tested.	<u>01/04/20</u>
<b>Summer 1</b>	<u>Russia</u> Many different concepts that link to the GCSE specification are embedded by looking at a country, in this case the focus is on impacts of population.	<u>Progress Check 3</u> 50 minute exam, multiple choice, short answers and extended responses make up the 45 mark paper.	<u>13/05/20</u>
<b>Summer 2</b>	<u>Tropical Storms</u> Studied at GCSE this unit embeds a basic understanding of a complex topic.	<u>Milestone 3 - End of Year Exam</u> 50 minute exam, multiple choice, short answer and extended writing responding to questions based on the whole years' work.	<u>10/06/20</u>
