## Best things about Trent 2:

- We play games like wink murder and splat in form once a week.
- We have our own form competition for credits every half term. The winner can choose any shop voucher they like from Miss Lester as a reward.

## Hobbies/ interests

- Video games and board games! PlayStation is better than Xbox!!
- Reading! I have so many books it's hard to choose what to read next.
- Sports! I love playing badminton, tennis and indoor rock climbing. I was also taking ice skating lessons.
- Art! I help paint and move the scenery for stage shows.

## Memorable Experiences & Achievements

- Becoming a teacher ☺
- Being a great sister to my two younger sisters.
- Finishing the Great Midlands fun run and running the whole 8.5 miles.
- Abseiling off the roof of a 5 story building at University.
- Going indoor skydiving.
- Camping at music festivals like V-fest and Reading.
