## **Headteacher's Introduction**

**It gives me great pleasure and pride to introduce myself as the Headteacher of Nether Stowe School and to welcome you to our school. Congratulations on gaining your place!**

**We are a flourishing school proud of our inclusive ethos and warm welcome. Most importantly, we are a strong, supportive, community where every pupil is individually cared for and valued. Furthermore, we are extremely proud to be a member of the Arthur Terry Learning Partnership, one of the best regarded Multi-Academy Trusts in the West Midlands. The partnership shares our commitment to excellence in teaching and learning and putting children at the core of everything we do.**

## ***Aspire to Excellence***

**At the heart of the vision and values of the school is the belief that every young person has the right to be a powerful learner and that education changes lives and transforms communities. We have a highly ambitious and aspirational focus on academic excellence, enabling every pupil to succeed and thrive. We develop and nurture individual talent to create kind, ambitious, self-confident, resourceful and resilient young people who are proud to contribute to their school and local community and who are ready to face the challenges of the modern world.**

**Traditional values of strong discipline, good behaviour and respect are also core to our ethos: we have high standards and we challenge, support and inspire everyone to be the absolute best they can be. Nether Stowe is a school you can be truly proud of!**

**The change from Primary School to Secondary can often seem like a daunting prospect. It shouldn't be. At Nether Stowe we have a hard working, dedicated and determined team of staff who are thoroughly devoted to making the transition as easy and as enjoyable as possible.**

**This is an exciting new step for your son or daughter and an exciting time to be joining the school. Each pupil begins a journey in Year 7 that leads to their ultimate success in Year 11 and Year 13. We take our responsibility for this journey – and your trust in us – very seriously.**

**That's why we are determined to provide a fantastic, high-quality, learning environment; great teaching; amazing experiences and outstanding opportunities for our students: both inside and outside the classroom. As a result, we expect the very best from everyone.**

**I look forward to meeting with you all and working closely together over the coming years!**

### Student Life—Exciting Learning Opportunities

We offer a wide variety of Curriculum activities to enthuse and engage our students and promote independent learning.

**The Army working jointly with students on a STEM Project.**

**Year 13 Science students looking at the oxidation of Vanadium Ions and Year 8 students experience practical science with kidney dissection.**

# Nether Stowe School

*Aspire to Excellence*

**Independent learning and resilient students.**

**Group discussions sharing ideas and information.**

**Practical geographers! Year 7 create and test their own volcanoes.**

**Science students collate, analyse and record their findings.**

**Year 7 students develop their skills at composition.**

**Extra-Curricular**  
Whether your interest is Sport, Music, Drama or DofE—there are plenty of opportunities to get involved beyond the curriculum.

The school show, 'School of Rock' provided plenty of opportunities to get involved in sound, lighting and backstage work!

**The District-Conquering Netball Team**

### College Life

Every student and teacher is allocated to one of four Colleges. During the course of the academic year competitions, fund-raising for College charities, Teenage Cancer Trust, Cancer Research UK, Dementia and Young Minds, behaviour points and attendance are all added together to determine the 'Champion College' each term.

**At Nether Stowe we actively promote a whole school awareness to Mental Health. Support is always available and students are encouraged to speak openly about their concerns.**

**Students support local community by collecting for Lichfield Foodbank**

**Heads of College successfully complete half marathon in support of College charities.**
