16th January, 2019

Dear Parent/Carer

CGP Examination Practice Workbook + Answer Book

Triple Science – 11ss1 (£11.42)

Trilogy Science – 11x2 / 11x3 / 11x4 / 11x5 (£6.60)

As a result of the Science mock exams, it has become clear that the majority of students are struggling with revision strategies. It is imperative that students begin their revision now in preparation for the next set of mock examinations and their summer GCSE examinations. In order to support students' independent revision for Trilogy Science, I recommend purchasing the above workbook(s). These books are extremely effective for AQA Science exam preparation and are packed with questions covering the whole of the course. The cost stated above includes additional booklets which gives the answers to the workbooks, this will enable you to support your child at home, or will enable your child to self-mark their answers.

If you would like to reserve a book, please make a payment via Parent Pay, of the full amount stated above by **8th February, 2019**. An order will be placed thereafter. If you wish to pay by cash, please contact the school office to request a bar code letter. This will allow you to pay via pay point facilities. Please do not pay monies onto school dinner money account.

Unfortunately, there will not be another opportunity this year to order this material through the school.

Thank you in anticipation of your support.

Yours faithfully,

J Colin
