Dear Parent/Carer,

Year 11 Revision Sessions After School

As students embark on the second half of the autumn term here at Nether Stowe, it is important that students are preparing for their January trial exams through regular revision.

Research shows that students who revise regularly obtain better grades in their exams. We strongly believe students must adopt a mind-set where they are fully preparing for their examinations at this crucial time. With almost all subjects solely assessed via examinations, students' overall grades will be exclusively determined by their performance in the 2020 exams. We want to ensure that students approach this important time with confidence and self-assurance.

In order to ensure that each student receives appropriate support in the relevant subjects, we have devised a revision timetable that offers subject-specific revision sessions for students to be held after school. Please note that in core subjects such as English, Maths and Science, students will be individually invited to revision sessions according to the tier they are studying, the class they are taught in or the stream they have been set in. For all other subjects all students who are studying for that GCSE are expected to attend. Please see the timetable below:

	Tuesday	Wednesday	Thursday	Friday
W/C 4/11/19	English (X band)	Maths (Foundation)	English (X band)	
W/C 11/11/19		History	Science (11x2)	RE
W/C 18/11/19	Business studies	GCSE PE	DT and Art	
W/C 25/11/19	Maths (Foundation)	English (Y band)	Maths (Higher)	
W/C 02/12/19		Science (11x3)	Geography	
W/C 09/12/19		Music Photography Drama	ICT	

It is incredibly important that students take full advantage of the support provided and attend the appropriate revision sessions on offer.

If there are any further queries please contact me by either phone or email, cpoar@netherstowe.com. Thank you for your continued support.

Yours faithfully,

Mrs C Poar
