8th March, 2019

Dear Parents/Carers,

'Lost' or 'Forgotten' Books

This year has seen many changes, and one that we are hoping will have a great impact is Accelerated Reader.

I am writing to appeal to you in terms of those 'lost' or 'forgotten' books on your bookshelves, and to your giving natures, in the hope that you are willing to donate reading books (fiction or nonfiction) during the upcoming parents' evening.

As you arrive, you will find a collection box in order for you to deposit those much needed books which will be given a fresh lease of life in providing a door into another world for our KS3 readers.

I am sure that you have many books that you will want to donate but if you would like to donate some new books to the school, I have listed some links and titles below.

Thank you very much for your generosity.

Yours faithfully,

Mrs K Hipwell
English Department

Book wish list: <https://www.arbookfind.co.uk/collections.aspx>
