Dear parent or carer,

Enrichment 2021

As part of the personal development of our pupils, we are proud to offer a variety of reward and enrichment activities at the end of the academic year. This is planned to take place over three days from Wednesday 14th July 2021 to Friday 16th July 2021.

Every pupil will take part in six different activities over three days, the cost of which will be fully met by the school. To retain some mystery and excitement, we are not sharing the full details until the enrichment period begins. However, we are providing the titles of each activity so pupils can have a think about what challenges await them:

- The Crystal Maze
- Nether Stowe Art Installation Project
- The Masked Singer/Dragon's Den
- NSS Who Dares Wins
- Uncharted
- Field of dreams

All pupils should wear their PE kit on these days so that they can fully participate in all activities.

Yours sincerely

Mrs K Manton
Associate Assistant Headteacher
