Dear Parent/Carer

**Post 16 Options – Parents Information Evening**  
**Thursday 24<sup>th</sup> June: 6-7pm**

As part of the school's careers curriculum and to support our year 10 pupils in their plans for post GCSEs, we are hosting a Post 16 options parents' information evening on Thursday 24<sup>th</sup> June, commencing at 6pm in the hall. The evening includes talks from both external and internal speakers, with information on the different routes that students can take at the end of Year 11 with regards to further education and apprenticeships. Talks include Mike Gilbert – Entrust careers advisor, Miss H Riley – Head of 6<sup>th</sup> form, ASK Apprenticeships, South Staffordshire College, and Juniper Training. Following these talks there will be chance for you to discuss one to one with any of the post-16 providers, and there will be representatives from the following colleges in attendance: South Staffordshire College, Burton and South Derbyshire College, Walsall College, Stafford College, and BMET Birmingham Metropolitan College. I hope the evening will provide you with information of use in helping to support your son/daughter with their education and career planning.

I would like to invite you, along with your son/daughter, to attend this important information evening. The event will be taking place in the Hall with direct entry through the new student entrance to school (*formerly the reception entrance*). The evening is scheduled to finish at approximately 7pm.

Please complete and return the reply slip below to your child's form tutor as soon as possible indicating whether you will be attending and if so, how many seats you would like to reserve.

We will continue to monitor guidance from the government regarding COVID restrictions, and will be in contact should anything change and the event not be able to go ahead.

I look forward to seeing you and your son/daughter on the 24<sup>th</sup> June.

Yours Sincerely

Miss A Rose  
Head of Careers
