

## Nether Stowe Sixth Form Uniform

Students are expected to dress in a manner that identifies Nether Stowe Sixth Form as a place of work and that encourages younger students to perceive Sixth Form students as role models. Our uniform has been designed in collaboration with students to reflect the fact that our students have ambitions for professional careers whilst accommodating the increased freedom expected from students who have elected to stay within a school environment.

All students will be issued with an ID badge, which must be clearly displayed whenever a student is on the Nether Stowe site. Failure to do so may result in refused entry. Should a student forget their lanyard they must report to the Sixth Form office asap.
