

How to access your 'Passport to learning':

- Go to www.childrensuniversity.co.uk
- Click on 'Login' - found in the top right of the page
- Select 'login as a child'
- Enter the username and password that your coordinator provided
- When you first log in, you will be asked to reset your password - which must be a minimum of 8 letters, and contain a capital letter, a lower-case letter and a number.
- Once you have logged in, this is an outline of what your passport looks like:

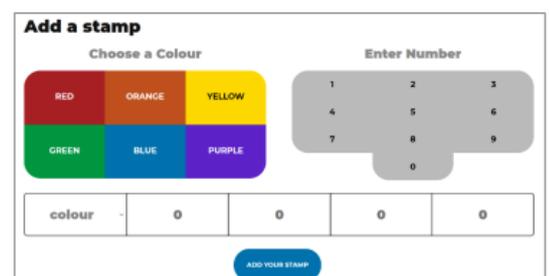

The dashboard shows a greeting 'Hi Harry!' and a 'Need help' button. It features sections for 'Add a new stamp', 'Add your own activity', and 'Recent stamps'. The 'Recent stamps' section lists activities like 'Dates test', 'Test activity', 'One-off Friday', and 'STEM Club'.

Username:

New password:

To log your hours:

- Get the stamp code from the teacher running the club
- Once you have completed your activity and got your code, click 'add a stamp'
- Select the code colour
- Type in the code number (e.g. BLUE3412)
- Press enter

The 'Add a stamp' form has two main sections: 'Choose a Colour' and 'Enter Number'. The 'Choose a Colour' section has a grid of color buttons: RED, ORANGE, YELLOW, GREEN, BLUE, and PURPLE. The 'Enter Number' section has a numeric keypad with buttons for 1-9 and 0. Below these is a text input field with the label 'colour' and four empty boxes for digits, followed by an 'ADD YOUR STAMP' button.
