## CHOREOGRAPH A DANCE ROUTINE (2 HOURS)

This activity can be completed either on your own or in a group. Firstly, select a song or piece of music that inspires you, and choose the style/styles of dance you wish to incorporate (ballet, tap, hip-hop). Think about your routine before starting, and practice individual moves before you pull them together - you could also incorporate props or costumes. As evidence you can:

- \* perform the routine in front of an audience
- \* record it and show it to a CU staff member or your teacher
- \* write about your experience; why did you choose that music, why did you choose that style/those styles of dance, and what did you learn from creating the routine?

## DRAW A MAP OF YOUR LOCAL AREA (2 HOURS)

Use the template on Page 5 to draw a detailed map of your village or neighbourhood. Make sure to include a key to identify landmarks (for example, a **P** for a car park or  for woodland).
