Parent Power: Navigating The Digital World Together

Whether you are a tech-savvy parent or new to the digital world, this series of webinars will be of benefit to you. Join us to hear guidance and advice on how to support your child in safely engaging with the online world, discover how technology is being used by teachers in the classroom and how iPad allows parents to see what happens at school in order to provide greater support at home.

For parents and cares with children at the following schools: The Arthur Terry School, Nether Stowe School, The Coleshill School, Mere Green Primary School, William Macgregor Primary School, Slade Primary Primary School and Coton Green Primary School.

Raising Digital Citizens: A Parent's Guide to Internet Safety
Wednesday 15th March, 17:30 - 18:30

A comprehensive webinar that provides parents with the knowledge and skills they need to protect and prepare children when navigating the digital world.

Parental Controls for the Modern Age: An Introduction to Jamf Parent
Wednesday 19th April, 17:00 - 17:30

A webinar designed to support parents and carers in setting up Jamf Parent to manage your child's school issued device. Parents will discover how to: Create custom rules with the simple step-by-step wizard, see a child's device name, current device storage use, device model and iOS version and easily manage one or several devices on the go.
