

Assembly Pattern 2022/23

Rationale

School assemblies support both the PSHE and RSE curriculum. It is designed to share important information with students to support them staying safe. As a result, there are 4 key themes that run through every half-term: Safeguarding, Mental Health, E-Safety & Relationships.

To ensure students receive current and up-to-date information, the content within each of these key areas are discussed with the Designated Safeguarding Lead, Lead teacher for PSHE & RSE and the Senior Leadership team. Therefore, information contained in this document is subject to change to ensure that we meet the needs of the pupils in a timely manner.

Overviews for each half-term can be found below. Planning for each area is finalised towards the end of the previous half term. Parents and students are encouraged to view the topic areas in advance of the half term. Should any parent want further information then they should contact one or both of the two staff below:
