

OCR's *post-results* services and fees: June 2023 series

There are a number of options available if you have a concern about a result.

Here's a quick guide to your main options: requesting one of our **reviews of results** or getting hold of a copy of a marked exam paper (**access to scripts**). If you still have a concern after this, we offer an appeals service.

Students should speak to a teacher or exams officer at their school or college about post-results services.

Our services *explained*

Access to scripts – AS and A Level, Cambridge Nationals, Core Maths, FSMQ, GCSE

A PDF copy of the original marked script (free) to help you decide whether to request a review of marking and to support teaching and learning. Exams officers can download copies of scripts using our free on-demand service, [Access to Scripts](#). This new service is accessed via our single sign-on service, My Cambridge. For step-by-step instructions on how to use Access to Scripts visit [our website](#).
