If you have an enquiry or are concerned about your results, you can request for one or more of the post results services provided by the exam boards. There are currently two main services provided: **Review of Results (RoRs)** and **Access to Scripts (ATS)**.

Please note, the following services are only available for written examinations and does not include any Non-Exam Assessments, practical or speaking exams.

Review of Results (RoRs)

A Review of Results service offers a **clerical re-check** and/or a **review of marking**.

Service 1 (RoR1): Clerical Re-Check

This service is a re-check of all clerical procedures leading to the issue of a result. This service will include the following checks:

- that all parts of the script have been marked

Service 2P (RoR2P): PRIORITY Review of Marking (A-Level ONLY) and Service 2 (RoR2): Review of Marking

The review will determine if the agreed mark scheme has been applied correctly and a re-check of the clerical procedures as detailed in **Service 1 (RoR1)**.

If a clerical re-check OR a review of marking is carried out there are three possible outcomes:

- Your original grade may be **lowered**
- Your original grade is **confirmed** as the same
- Your original grade is **raised**

Please note Service 2P (Priority Review of Marking) is only available to A-Level students.

Access to Scripts

Students can request access to their marked script(s).

Service ATS: Access to Scripts

If you wish to put in for a review of marking and would like a copy of your script beforehand, you can request a copy of their scripts **before** deciding to put in a review for marking.

If you are happy with your results and do not wish to carry out a review of marking you may request a copy of your script to be returned. **Please note, scripts may be used for teaching and learning purposes.**

Applications for the post results services requested, will be made directly to the relevant exam board by the Exams Team. It is important to read all the information on each service carefully and consider all your options before determining the best route.

To make a request, you must complete the relevant online form (details on next page), clearly indicating the service you require, the exam board, subject and the paper (*for e.g. Service RoR2, AQA, English Language, Paper 1*) then transfer the fees to the school account using Parent Pay and including a screen shot of the payment (within the form) for the service requested. Students will need to log in using their school email address to access the form.
